

The Lilac Village

Highland Avenue Sewer Separation Construction Newsletter

ISSUE 02

August 26, 2025

Construction Schedule

(weather dependent)

• **Underground Utility Work**
All water, storm and sanitary sewer work is complete on Division Street and Chase Avenue.

• **Roadway Removal and Replacement**

Removal on Division Street will continue for this week. Curb and gutter work to follow, and then asphalt paving. NotifyMe will keep residents informed as to when each activity will begin and the next to start.

• **Natural Gas**

Nicor may have some remaining work on the south side of South Broadway by Chase Avenue. The Village has not been informed of any pending activity.

After Hours Inquiries

When calling after normal working hours, please leave a message at Public Works at 630-620-5740. If your call is of an emergency nature, please call 630-620-5740 and press zero, your call will be directed to the Police Department.

Garbage Service and Reminders

Project Progress

Onsite Technician

Any concerns, general questions, or requests for special access accommodations should be directed to **Mr. Rob Salinas of Thomas Engineering at 815-529-6185.**

Garbage/Recycling Service

To accommodate construction, Waste Management trucks will arrive before the contractor's regular start time of 7:00 AM. To ensure pick-up, please have your garbage placed curbside no later than **5:30 AM.**

Pickup day will remain on Thursday. This adjustment will be in effect until further notice.

Keeping You Informed

Individuals are encouraged to sign up for Notify Me® for timely email and/or text message updates. Refer to the back of this notice for additional instructions.

Newsletters will also be available on the project webpage: <https://www.villageoflombard.org/583/Highland-Avenue-Sewer-Separation-Project>

- Be aware of where the contractor is working, as this may temporarily impact your access.
- Residents should have parking permits in hand. For any additional permits, please contact Public Works or Mr. Salinas.

Village of Lombard

Public Works Engineering

Public Works Department office hours are
Monday through Friday, 8:00 a.m. to 4:30 p.m.

Parking Permit Use

Parking permits allow overnight street parking in areas where it is otherwise prohibited.

During construction, overnight street parking will be permitted on nearby streets adjacent to the work zone. **Please do not park in permit spaces along South Broadway.**

Parking Guidelines

- Parking permits are **only required for overnight street parking**. All other regular parking restrictions remain in effect.
- Vehicles parked on the street overnight **must display a valid Village-issued parking permit**. Vehicles without a permit may be ticketed.
- **Do not park** in or near construction zone entrances, in front of fire hydrants, driveways, or in any area where parking is prohibited.

If you need overnight parking for guests or visitors, visit villageoflombard.org/318/Overnight-

Sign Up to Receive “Notify Me” Emails

“Notify Me” is a function of the Village website that will automatically e-mail newsletters and updates to all interested parties.

Step 1: Sign up for “Notify Me” at www.villageoflombard.org/notifyme or send an email to public-works@villageoflombard.org, requesting to sign up for updates regarding Highland Avenue Sewer Separation project.

Step 2: You will receive a confirmation email which will require your approval. The email will be from listserv@civicplus.com. **BE SURE TO CHECK JUNK MAIL OR SPAM FOLDER(S).**

Step 3: Click the link provided and “Notify Me” will be activated.
