March 10, 2026

Dear Resident/Property Owner,

**Village President**  
Anthony Puccio

**Village Clerk**  
Ranya Elkhatib

**Trustees**  
Brian LaVaque, Dist. 1  
Jessie Hammersmith, Dist. 2  
Bernie Dudek, Dist. 3  
Patrick Egan, Dist. 4  
Dan Militello, Dist. 5  
Bob Bachner, Dist. 6

**Village Manager**  
Scott R. Niehaus

*"Our shared Vision for Lombard is a community of excellence exemplified by its government working together with residents and businesses to create a distinctive sense of spirit and an outstanding quality of life."*

*"The Mission of the Village of Lombard is to provide superior and responsive governmental services to the people of Lombard."*

On Monday, April 6, 2025, the Public Works Department will host a Public Information Meeting regarding the upcoming North Grace Street Road Resurfacing Project. The meeting will be held in the Community Room of Lombard Village Hall from 5:30 PM to 7:30 PM.

The project limits extend from East St. Charles Road to IL Route 64 (North Avenue). You may refer to the Project Location Map on the back of this letter. Construction is currently anticipated to begin in June 2026.

The proposed improvements include storm sewer repairs; curb and gutter repairs; sidewalk construction to comply with ADA and to eliminate trip hazards; roadway grinding, resurfacing, and striping; construction of an on street and off-street bike path; limited driveway apron replacement; and parkway restoration.

The Village has existing project page on the Village's website at: <https://www.villageoflombard.org/northgracestresurface> Beginning on March 23, 2026, a power point project overview presentation will be available.

Residents are highly encouraged to review the online presentation before attending the meeting. The video will remain available for those who are unable to attend. For those who prefer to view the presentation in person, it will be shown in the Village Hall Board Room beginning at 5:30 PM and will run continuously until 7:00 PM.

Residents may arrive at any time between 5:30 PM and 7:00 PM. Staff from the Village of Lombard Public Works Department and the project designer, Baxter & Woodman, will be available in the Community Room to answer property-specific questions and clarify the scope of work.

Questions can be addressed by Ray Schwab, Civil Engineer II/Project Manager, at (630) 620-5740 or [publicworks@villageoflombard.org](mailto:publicworks@villageoflombard.org).

Sincerely,

*Village of Lombard*  
*Public Works Department*
