"The Mission of the Village of Lombard is to provide superior and responsive governmental services to the people of Lombard."

Dear Business Owner or Resident,

The Village of Lombard is hosting a public information meeting to discuss the upcoming Roosevelt Road Water Main Lining Phase II project. The open-house meeting will take place on:

Tuesday, February 28, 2017
4:30 PM – 6:30 PM
Village of Lombard
255 E. Wilson Avenue
Lombard, IL 60148

Join us any time between 4:30 PM and 6:30 PM to view a video presentation about the project, review exhibits, provide comments, and meet one-on-one with project representatives. The presentation will also be available on the Village of Lombard website following the open-house.

Impacts on Roosevelt Road

This project will have a significant impact on the motoring public from Fairfield Road to Wisconsin Avenue. Alternate routes are encouraged, and intermittent lane closures are anticipated to begin in Spring 2017.

Project Information

This project is intended to reduce future water main breaks and provide more than a 50-year life span of the existing water main along Roosevelt Road (Route 38) from Fairfield Avenue to Wisconsin Avenue. The project is anticipated to begin in March 2017 and to be completed by October 2017. The Village completed Phase I of this project (Finley Road to Fairfield Avenue) in 2016. **Additional information about the project is available at 38water.org.**
