"Our shared Vision for Lombard is a community of excellence exemplified by its government working together with residents and businesses to create a distinctive sense of spirit and an outstanding quality of life."

"The Mission of the Village of Lombard is to provide superior and responsive governmental services to the people of Lombard."

You are receiving this latest letter because you either attended the Lombard Village Board meeting on September 7 or 21 or previously sent an email to express your concerns regarding the proposed billboards on the west side of I-355. We do thank you for your comments.

To keep you apprised of matters, the Village has just been informed by Lamar Companies that they are withdrawing their request for both the zoning actions and draft sign leases for the proposed billboards. At the November 2 Village Board meeting, the Board will close this matter by formally accepting their withdrawal. No further actions will be taken regarding this petition and the signs will not be installed.

In the interim, if you have any questions on this issue please feel free to contact William Heniff, Community Development Director at (630) 620-3599 or heniffw@villageoflombard.org.

Again, thank you for taking the time to share your thoughts with the Village Board.

Sincerely:

President Keith Giagnorio and Lombard Village Board of Trustees
