Village of Lombard COVID19 Statement April 3, 2020

Village and Park District Joint Statement: MAINTAIN SOCIAL DISTANCING

The Village of Lombard and the Lombard Park District are sharing a joint statement with residents. The Lombard Police Department and the Lombard Park District are working cooperatively together on enforcement, including dispersing groups using playgrounds or athletic fields. Lombard Police are monitoring these areas and ask for your voluntary compliance.

Please STAY AT HOME: Lombard First Responders Need Your Cooperation Now

The effects of COVID-19 are expected to reach a peak in the coming weeks. It is absolutely critical that everyone does their part in slowing the spread of COVID-19 right now. The goal of this combined effort is to help reduce the overwhelming burden on first responders and medical professionals, who are faced with the challenge of limited medical supplies in comparison to the number of patients. While most residents continue to do their part, it is important that we all reassess our actions to ensure maximum cooperation.

What STAYING HOME looks like:

- Being indoors with your usual household members
- Being outdoors in your yard with your usual household members
- Cleaning up winter debris from your yard, general lawn care, gardening
- Going for a walk or bike ride in the neighborhood, keeping a distance of at least 6 feet from fellow residents or neighbors you encounter
- One household member (when possible) going on infrequent and brief trips to the grocery store
- One household member (when possible) picking up dinner from a local restaurant that provides curbside or pick up

What STAYING HOME does NOT look like:

- Inviting friends or extended family over for a play date, to study, or play video games
- Gatherings of any kind, including faith-based gatherings, with anyone outside of your household members
- Inviting neighbors over for a backyard barbeque
- Gathering to play a team or contact sport with shared equipment, such as a basketball
- Hosting small gatherings with extended family or friends, even if the limit is fewer than 10 persons

Senior Citizen Information and Resources

The Village of Lombard has compiled a list of resources for senior citizens, including senior shopping hours at grocery stores and pharmacies, details about foodbanks, and contact information for local organizations that are focused on providing senior assistance.

April 3, 2020

If senior citizen information does not apply to you directly, we are hoping residents will share this information with senior citizens they know. With your help, we will all get through this together #LombardStrong. <https://www.villageoflombard.org/DocumentCenter/View/4682/Lombard-Senior-Citizen-COVID19-Resources>

New Dashboard/map from DuPage County Health Department

The DuPage County Health Department's COVID-19 dashboard, shows the number of lab confirmed COVID-19 cases in each municipality. As of April 2, 2020, there are 25 lab confirmed cases of COVID-19 in Lombard. Please [see the map](#) for updates.

The best way you can protect yourself is to socially distance yourself from people outside of your home, and limit your potential exposure. Wash your hands regularly, for 20 seconds, using soap, and do not touch your face with unwashed hands.
