## 4.10.20 - Village of Lombard COVID19 Update

### **Submit Your Positive #LombardStrong Photos!**

The Village is seeking encouraging photos from residents and community members about how they are staying positive and safe during the COVID19 crisis. Share photos of art work, positive chalk messages on sidewalks, signs thanking people on the front lines, creative things to do while staying home, or any other way you are staying #LombardStrong! Photos may be submitted here

### **Running Essential Errands**

As communities across the United States take steps to slow the spread of COVID-19 by limiting close contact, people are facing new challenges and questions about how to meet basic household needs, such as buying groceries and medicine, and completing banking activities. The following information provides advice about how to meet these household needs in a safe and healthy manner.

### **Special Village Board Meeting April 16 at 6 p.m.**

The Village will hold a Special Village Board Meeting on Thursday, April 16 at 6 p.m. While social distance restrictions are in place, residents may submit their comment for the April 16th Village Board of Trustees Meeting, without being in attendance. If you wish to offer Public Comment, please complete and submit the form at [www.villageoflombard.org/publiccomment](http://www.villageoflombard.org/publiccomment). The Village requests that comments be submitted by 4 p.m. on Thursday, April 16.

### **DuPage County Health Department Map**

The DuPage County Health Department's COVID-19 dashboard, shows the number of lab-confirmed COVID-19 cases in each municipality. As of April 10, 2020, there are 54 lab confirmed cases of COVID-19 in Lombard. Please [see the map](#) for updates.

The best way you can protect yourself is to socially distance yourself from people outside of your home, and limit your potential exposure. Wash your hands regularly, for 20 seconds, using soap, and do not touch your face with unwashed hands.
