### **Lombard Police and Fire Encourage Residents to Sign Up for Smart 9-1-1**

You can help Lombard's first responders by signing up for Smart 911, a free service that allows you to provide secure information that first responders will be able to see, should you ever need to dial 9-1-1. Supplying current health or quarantine information will help Lombard's first responders to help keep you, your families, and our community safe. Sign up for Smart 911 today! More information at [www.villageoflombard.org/smart911](http://www.villageoflombard.org/smart911).

### **Chemical Safety**

Reports of exposure to cleaners and disinfectants to poison centers increased substantially in March 2020 corresponding with the rise in #COVID19 cases. Learn more about these reports and how to safely use cleaning chemicals: <https://bit.ly/3eBv2d5>.

### **Share Your Lombard Strong Photos**

The Village is seeking encouraging photos from residents and community members about how they are staying positive and safe during the COVID19 crisis. Share photos of art work, positive chalk messages on sidewalks, signs thanking people on the front lines, creative things to do while staying home, or any other way you are staying #LombardStrong! Photos may be submitted here [www.villageoflombard.org/FormCenter/Communications-8/LombardStrong-During-COVID19-99](http://www.villageoflombard.org/FormCenter/Communications-8/LombardStrong-During-COVID19-99)

### **DuPage County Health Department Map**

The DuPage County Health Department's COVID-19 dashboard, shows the number of lab-confirmed COVID-19 cases in each municipality. As of April 21, 2020, there are 93 lab confirmed cases of COVID-19 in Lombard. Please [see the map](#) for updates. As a reminder, the best way that you can keep yourself and your family safe is to maintain social distancing with people outside your home and avoid touching your face.
