May 15, 2020: COVID-19 Update

Remaining Vigilant in Preventing the Spread of Illness

The CDC is reminding residents that the best way you can help keep yourself and your family safe is to wash your hands, for 20 seconds with soap and water, on a regular basis, and to not touch your face with unwashed hands.

Be a Hero Blood Drives Continue

"Be a Hero" blood drives are scheduled for May 20th and May 27th at the Yorktown Convenience Center. Blood donation is considered an essential activity and is exempt from the Stay-at-Home Mandate that is currently in place for Illinois. Safe social distancing measures will be in place to ensure donor safety. More information is available at www.villageoflombard.org/blooddrives.

Support Local Businesses!

More than 250 Lombard businesses are open for services, or curbside pickup, carry-out, or delivery of goods or food. You can find the Village's interactive map of open Lombard businesses at www.villageoflombard.org/shoplocalmap. When making a purchase, shop local Lombard!

Special Village Board Meeting

The Village will hold a Special Village Board Meeting on Thursday, April 21 at 6 p.m. While social distance restrictions are in place, residents may submit their comment for the meeting, without being in attendance. If you wish to offer Public Comment, please visit www.villageoflombard.org/publiccomment for full details and to complete and submit a comment form, e-mail communications@villageoflombard.org or call 630-620-5929. The Village requests that all written comments for inclusion in the public record be submitted by 4 p.m. on Thursday, April 16. The meeting will be broadcast live at www.villageoflombard.org/live, on Comcast TV6, and AT&T Channel 99. The agenda for this meeting, as well as previously filmed Village Board Meetings are available at www.villageoflombard.org/meetings.

DuPage County Health Department Map

The DuPage County Health Department COVID-19 dashboard, shows the number of lab-confirmed COVID-19 cases in each municipality. As of May 15, there have been a total of 209 lab confirmed cases in Lombard.

The best way you can protect yourself is to socially distance yourself from people outside of your home, and limit your potential exposure. Wash your hands regularly, for 20 seconds, using soap, and do not touch your face with unwashed hands.
