www.villageoflombard.org/covid19

1

Back It Up

Maintain a minimum of 6 feet of distance if possible, between yourself and people who do not reside in your homes.

2

Reserve It

Make reservations or call ahead if possible. Remember, there is a 6 person party limit.

3

Wait For It

While waiting to be seated, customers should wait off premises - either outdoors with social distance and a face covering, or in vehicles.

4

Cover It Up

Customers should wear face coverings over their nose and mouth while on premises, except while eating and drinking at their table. (Exceptions for those with medical concerns.)

5

Keep It Moving

We need **YOUR** assistance in continued progress. Our united goal is decreased COVID-19 cases. Do your part to help us get there!
