

POLITICAL CAMPAIGN SIGNS

VILLAGE OF LOMBARD ✨ DEPARTMENT OF COMMUNITY DEVELOPMENT

With the upcoming election approaching, the Village of Lombard would like to inform residents, businesses, property owners and those involved in political campaigns of its new regulations pertaining to political campaign signs. The following points are the general guidelines as to the regulations regarding political campaign signs:

- For residential properties, the overall sign size may not exceed nine (9) square feet in area. There is no restriction as to the number of signs allowed.
- For non-residential properties, signs cannot exceed 32 square feet in area; however, if a sign is greater than 16 square feet in area on these properties, a no-fee permit is required from the Village of Lombard. The required permit, which will be issued over the counter, will ensure that the signs are properly located and are not within a clear line of sight area. The code also states that no more than one political campaign sign of greater than 16 square feet is permitted per street frontage on these properties. There are no restrictions as to the number of political campaign signs less than 16 square feet in area on these properties.
- Political campaign signage placed on private property should have the consent of the property owner.
- No signs may be located within the parkways or public rights of way.
- Political campaign signage more than two feet in height shall not be located within the clear line of sight areas at driveways or street intersections.

To help keep Lombard looking its best, the Village requires the removal of the signs from commercial property 10 days after the election.
